## Message from the President

I hope our current members have enjoyed our 11<sup>th</sup> year of challenging tournament venues, reasonable fees and the camaraderie and fun that we have at our events.

I would also like to welcome our new members for 2003 and I hope you will enjoy our 12<sup>th</sup> year as much as we have enjoyed the past 11 years!! Our club that started off with 35 members in 1991 has now grown to over 115 members!! Every year we have tried to introduce improved services and products to our members. This year we introduced the opportunity

for our members to post scores through SCGA via the internet, enhanced our website to allow our members to sign up for tournaments via the internet, and played new venues such as Industry Hills and Cypress.

Next year there are two events being scheduled that we are very excited about offering to our members. The first is our "IRS and Friends West Coast Golf Tournament" that will be held in June at Primm, Nevada and the second is "The Survivor Cup" 2-man team competition that will

start during Spring, 2003.

The 2003 tournament calendar is included in this edition of our newsletter, as well as details regarding the Primm tournament. Details regarding the Survivor Cup will be coming out in one of our upcoming editions of our newsletter.

Good luck at Cypress, thanks for a great 2002 and I am looking forward to an even better 2003!!

/s/ Stephen Klotz  
President  
ALSRI Golf Club

## Challenge Corner

**Congratulations to the El Monte ALSRI Cup Team!** They emerged as the winner of the tightly contested ALSRI Cup for 2002. The event naturally was not without controversy, but fortunately we had clear winner and did not have to resort to any tie-breaker, nor (worse) end in a tie.

Amazingly, the final leg held at Los Serranos South resulted in a tie between the first and second place team, El Monte and At Large teams, respectively. Both teams wound up scoring 352 net strokes on that last day. (What were the odds of that?) Each putt mattered. It makes those who may have missed a short putt during that final day stop and think. Since both teams tied in the final event, the winner basically was the team that had more points going into that final leg-which was the **El Monte Team**, **by a mere ½ point.**

Thanks to all who participated in making this event a success. The event was a great competitive forum for ALSRI Members. There were many great performances that we will recall in future years but until the next ALSRI Cup in 2004, **El Monte** will have bragging rights!

Team Standings are as follows:

<b>Team</b>	<b>Points</b>
El Monte	17
At Large	16 1/2
Glendale	9 1/2
Downtown 1	9
Downtown 2	8

El Monte's Winning ALSRI Cup Team!

Remember to forward results of any upcoming challenges to Larry Taylor. He can be reached at LJT356@aol.com .

As Membership chairman I am usually privy to all the new members joining our golf club. I would like to welcome all of you to our ALSRI family. ### Don't say or ask...

"Looks like an easy bunker shot"

"Is that mud on your pants?"

"Lets go look for my ball in the trees; you drive"

"I think there is OB left"

"I think there is OB right"

"I think I see a few balls in the lake"

"Explain that golf rule to me again?"

"How much was that bar bill for your hole in one at Sierra Lakes?"

"Where would you like to have our next tournament?"

"I heard there's controversy on the board"

"What's new?"

"Who's Carolyn Billingsley?"

"Shouldn't you hold the putter with two hands?"

"I think I know how you can correct that slice"

"How old are those irons?"

"Sure, how much would you like to bet?"

"How's the Corvette this week?"

"So what do you think of IRS management?"

"I think you need to take more of a divot"

"Howard, don't move, I think there's a bee on your shoulder"

"You're an 11 handicap?"

Welcome new members to ALSRI. Have a great 2003 golfing year!

## Inside ALSRI.....Golfnut

*(The writings of Golfnut do not reflect the opinions of the editor or the ALSRI Golf Club)*

Golfnut would like to thank the 2002 ALSRI CUP co-organizers, **Howard Wu and Bernard Penafuerte**, for the great job done in running this year's event....The El Monte Team was named 2002 ALSRI CUP Champion after it beat out the heavily favored At-Large Team, led by **Stephen Klotz**, by a mere half point... (Kudos to the third Place Glendale team, the highest finishing **pure IRS employee team!** Thanks, Bob!) After 10 years of mowing down bargaining unit employees @ El Monte POD, **Chuck Wong** (Aka: Weed Whacker Wong, or www.wong) finally got his wish and received a promotion to greener pastures in Downtown - Headquarters. Congratulations, Chuck! At Los Serranos on 11/22/02, www.wong was caught trying to offer his future golf services to the Downtown team captains, **Rick Sackett and Howard Wu**, who politely rejected his offer and asked him to go through the qualifying process next year... V2, the captain of the winning ALSRI CUP team, just came back from the IRS & Friends Golf Tournament in Myrtle Beach. He used the trip to promote our club's West Coast version of the IRS & Friends tournament @ Primm Valley next June and fattened up on dinners offered to him by "**Nutra-Sweet**" **Lou Pacho** and our X-Prez, **Ben "I got no game" Novicki**.....**Tim "The Kid" Baldwin** personally witnessed the bold play of **Alex Wong** during his round @ El Rancho Verde on Veterans Day where Alex used his brand new

shovel, the Cobra 427cc Driver, to hit his ball onto the par 3, 195 yd green in the 30 MPH wind... (Alex, was that **with** the wind?) Just goes to show what technological improvements in equipment can do....**Ron Havens** revealed his concern about his wife, **Barbara**, a known golfoholic. Ron said he works extremely hard nowadays to support Barbara's 7 days a week golf habit. Ron, think of the bright side, Barbara is saving you lots of \$\$\$, she could opt to spend 7 days a week at the mall instead! **Gus Robinson's** junior clinic at Chester Washington G.C. was praised nationally in the December issue of Golf Magazine. Good job Gusto!...Watch out **D.J., Linda, Barbara, and Toshi, Shirley Worsham** has decided to hang-up her laptop, and will conclude her long, distinguished career with the IRS this month and will golf full time after 12/5/02. Shirley will try to reclaim her golf touch @ her home course, Sierra Lakes...**Dennis Murakami** shot down V2's hope of beating him at his home course, Los Serranos, with a methodical gross 75 at the ALSRI CUP match on 11/22. Afterwards, V2 went straight to the Proshop to see whether anyone had turned-in his flattened hiny...**George Nichols** won praise from many members who got the chance to play with him. George is not only a good golfer, he's a real gentleman on and off the course as well. ALSRI is lucky to have him as a member...**Archie Nakaoka and Big Dawg Rhodes** have an open challenge to anyone who would like to play them in a golf match - as long as they (The challenger) agree to the certain conditions, such as: 1) Don't check Archie's balls during the round (*Archie is known for using a different ball on each hole*) 2)

Don't make fun of James' one-handed putting stroke 3) If they lose and the wager is for James' famous cookies, no macadamia nuts will be added to the cookies 4) Don't call Archie by his real name, **Sandbagger Archie**. 5) The match will be played **only** at El Rancho Verde G.C. Any interested party, please email either James or Archie to arrange the match... ALSRI membership reaches the new milestone, the total membership is now over 120!..V2 found another great golf deal at Oak Quarry G.C. You can purchase a \$200 golf card that will allow you to play 5 rounds for \$40 with some time restrictions. Great bargain, compared to the usual \$65-85 a round green fee. On the flip side, you probably will end up spending an addition \$200 for the cost of the balls you expect to lose for those 5 rounds at Oak Quarry...There will be approximately 96 players at Cypress. To help us get started on time, will all non ALSRI players with indexes tell the person helping them at the registration table what their December index and show proof... The Cypress golf course is short but demanding. Water comes into play on a majority of the holes and there are very few level lies on the course. **Tiger Woods** has the course record of 63. Golfnut is willing to wine and dine any ALSRI member that finishes within 2 strokes of that record. (Chances are I'll be having dinner by myself!) See you all at Cypress, bring extra balls with you!!!
