Brian & Stephen Klotz after the year-end tournament. Guess who had the best round!

Let's Play by the Rules!

We all play golf to have fun. That's why the **ALSRI Golf Club** was started, so that everyone could get together, play golf, socialize, and have fun. Since we started awarding prizes at tournaments, we also want to win....but we have to play by the rules!

At the season ending tournament at **Sierra Lakes**, one of our members was determined to be less than honest regarding accepting money for a closest to the pin award. The **ALSRI** board members, after numerous discussions, decided to take action against the member as follows:

- The member is placed on 1 year probation.

- The member is not allowed to enter the tournament at **The Cascades** or participate in the club championship.
- The member will be able to enter all remaining 2002 tournaments but will not be allowed to qualify for any prizes .
- The member will not be allowed to participate in the **2002 ALSRI Cup** competitions.

The board felt that this amount of sanction was necessary because of the image we are trying to maintain to the public. Even though our club is not officially connected with our employer, we are

nevertheless, connected and inappropriate actions by our members also reflect negatively upon our employer. We also have to be concerned with the image our guest players have of our club.

The rules of golf are unique. In no other recreational sport is the participant asked to police themselves. When you play golf there's no one watching, and that's the beauty of it. You're the only person in the world who sees everything. You know if you move your ball accidentally or kick it out of the rough. And if that happens, you have an obligation to call a penalty on yourself. Let's all have fun, but most of all, lets **Play by the Rules!!**

Inside ALSRI.....Golfnut

(The writings of Golfnut do not reflect the opinions of the editor or the ALSRI Golf Club)

The ALSRI family was extremely shocked and saddened by the news this past week of the death of **Robert Maggio**. "**Robo**", as he was called by those who knew him, left us due to heart failure and that was ironic. We knew **Robo** as a fierce competitor in softball, in golf, and in life. We can remember **Robo** crushing a softball in the old **IRS** softball league, helping the Downtown team to another of many championships. We remember **Robo** teeing up a golf ball and knocking it out of sight. **Dennis Murakami** kidded him that he hit his stray shots in the direction of the beer cart so he wouldn't have far to walk. We remember **Robo** as just a fun loving guy who was easy to talk to and to be around. All the qualities of a person with a "Big Heart" and yet, it was his heart that took him from us. It also took him from his wife and two young kids. It has been said that no one is promised tomorrow, but it is always a surprise when we lose someone we know. The **ALSRI Golf Club** will be accepting donations at the **Cascades** golf tournament which will be presented to **Robo's** family. Please contribute so that we, as a club, can show that we care. We'll miss you **Robo**. Rest in Peace!

For those who don't know, the **Cascades** tournament is officially designated as the "**Tournament of Champions**" for the purpose of crowning our club champion. Our current champion, **Nick Castro**, will have severe odds to overcome to retain his

championship. To date, no defending champion has successfully defended his crown. Therefore, **Golfnut** has officially declared **Nick** as toast and opened the door for contenders....Congratulations to **Larry Taylor** on his hole-in-one on the par 3 4th hole at Sierra

didn't get to properly see him off, next month **Golfnut** will donate a considerable amount of time to roasting "Mr. Monterrey Madness". Hey Lou, I miss your free lunches. Please hurry back....**Golfnut** heard that ALSRI members **John** and **Joycelyn Fawaz** are spending

Lakes. The official line shows that **LT** used an 7 iron, two rabbits feet and a four leaf clover to make that shot. The feat was especially satisfying to **LT** because of the extremely windy conditions and the fact that he has never carded a score less than 9 for that particular hole.... **Al Valentine**, the golf guru, will have a number of ALSRI golfers at the **Primm Valley** golf courses February 17-19. Two rounds of golf at the **Desert** and **Lakes** courses and lots of gambling. Stay tuned for upcoming golf excursions to be presented by Al... **Lou Pacho**, quietly slipped out of town last month to take a position in Washington, DC. Since we

Cascades tournament in New Orleans, attending the **Superbowl** and partying at Mardi Gras. Too bad **Golfnut** couldn't tag along 'cause I've been known to be a party animal....Haven't seen or heard from **James "Big Dawg" Rhodes** recently. The **Big Dawg** is well into his year-end hibernation. When he comes back, probably around the Los Serranos tournament, I'm sure he'll be hungry for somebody's lunch...Hey **Bernie Els**, I just found a wonderful new course with water playing on at least 8 of the 18 holes.
