Most golfers prepare for disaster. A good golfer prepares for success!

The friendly Los Serranos-North course was the scene for the ALSRI Tour in the month of April. Fresh off a series of rains, the North course was in picture perfect condition and our golfers took advantage of it to post some excellent scores. **Frank Wun**, **Steven Klotz**, and **Stan Teragawa** won the 'A', 'B', and 'C' Flights, respectively. Stan should be commended for his first ALSRI Tour win. **Debra Bennett** announced her arrival as the new "sheriff" of the Ladies Flight by winning her first event as a member. **Ron Havens** was the winner of the Long Drive. Winners of the closest to the pin contests were: **Larry Taylor** (#2), **Larry Nelson** (#6), **Stan Teragawa** (#10), and **Ron Mendoza** (#17). Our next tournament is **Oak Valley Golf Club**. Please arrive at the course no later than 11:30am for check-in. Lunch will start about 12:00 noon.

Challenge Corner

Round two of the Survivors Series was completed on May 4th at the Los Serranos-South course. The event was both physically and mentally grueling for all the participants. The winners were the following:

- Jerry Chang/Alex Wong defeated Vern Miller and Rick Sackett. Jerry and Alex pulled away early and held a 3 stroke lead going into the back nine. Jerry and Alex were just too steady and held on for the victory by a 64 to 71 score.
- Chris Olson/James Rose defeated Wayne Nakama and Bob Henderson. This was the closest match of the day. The match was tied going into the 18th hole when James Rose finished with a birdie putt of at least 25 feet to close out the match with a net score of 65 versus a 67.
- Bryan Inoue/Howard Wu defeated Stan Gin and Bernard Penafuerte. Howard and Bryan completed the front nine with a 5 stroke lead. The team of Gin/Penafuerte attempted a valiant comeback effort but fell a bit short. The final score was Inoue/Wu with a net 69 vs Gin/Penafuerte with a net 72.
- James Nelson/Roger Law defeated Larry Taylor and Tim Baldwin. The score was tied after the front nine. The team of Nelson/Law played a superb back nine however and pulled away with the best score of the day, a net 62 vs a net 66 for Taylor/Baldwin.

Congratulations to all the winners. The next match will be the tough alternate score format at San Dimas Canyon Golf Course on June 29th. The match-ups of the remaining teams will be announced later. As usual, the results will be published in the next edition of "Eagle". (See page 5).

Remember to forward results of any upcoming challenges to Larry Taylor. He can be reached at LJT356@aol.com .

Inside ALSRI.....Golfnut

(The writings of Golfnut do not reflect the opinions of the editor or the ALSRI Golf Club)

Just a reminder, the **Oak Valley tournament fee is \$60** instead of the previously published amount of **\$55**. The BBQ buffet lunch, which is part of the tournament fees, will be served around noon which should give us ample time to hit the range, pick up the goodie bags and learn the speed of the Oak Valley greens before our **1:30 P.M. SHOTGUN** starting time. Please check-in with the ALSRI officers no later than **11:30 A.M. on Monday**....There are rumors floating about the breakup of the previously unbeaten team (Before the Vannukul Sisters took them down @ El Rancho) of **Stan Gin** and **Bernard Penafuerte**. Stan has been found stalking his former partner, Billy Bob Stephens, asking for forgiveness so he and Don can be reunited for future golf events. Congratulation to the 4 surviving teams of the Survivor Cup 2001. They are: **Jerry Chang** and **Alex Wong** ("Crouching Tiger & Hidden Dragon") who beat the team of Rick Sackett and Vern Miller with their mistake free round, **Bryan Inoue** and **Howard Wu** ("Harold & Maude") who silenced the team of Stan Gin and Bernie Penafuerte ("Heckle & Jeckle") with their length and precision iron play, **Roger Law** and **Jim Nelson** ("The Practice") who squeezed by the team of **Larry Taylor** and **Tim Baldwin** ("Tango and Crashed") and **Chris Olson** and **James Rose** ("Butch Cassidy & Sundance Kid") who won on a dramatic birdie chipped in by James Rose on the 18th hole over the

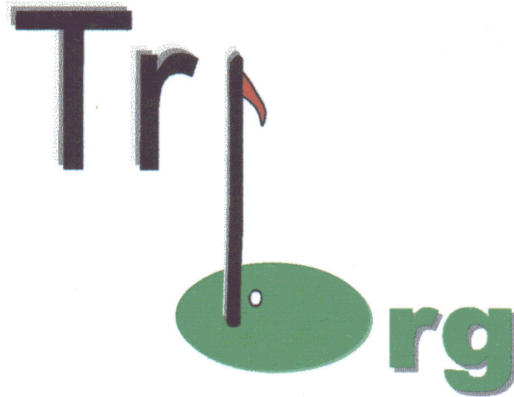

team of **Wayne Nakama** and **Bob Henderson**....The next round is scheduled for June 29th at San Dimas. We will report the results to you as they become available....The results of last weeks Monterrey Marathon (Golf Madness (MMM) is in. To no ones surprise, **Jimmy Henson** (that x@#%& Shark) has captured another first place finish with a combined net score of 291 (+3), he was followed by **Victor Vannukul** (+19) who came back strong in the last round at La Purisima to finish in second place. *Victor's final net score was 307, merely 16 strokes behind Jimmy*...The biggest prize belongs to **Archie Nakaoka** who captured the newly created prize, "**Closest to (Monterey Pines) Tree**"...Many participants of MMM swore out loud that Archie was more alert and coherent **after the close encounter with the trees** than before the incident. Golfnut sends out get well wishes to Archie while recovering from his one cart collision at Poppy Hills. Get some rest Archie and don't worry, we'll file that SR 71 to get your golf cart driver's license returned....The 'Nut also heard that **Larry Taylor** is off his feet right now (literally, due to blisters on both feet). What did you call the guilty party LT, "the socks from Hell?" Larry is expected to be ready to play at Oak Valley.Victor Vannukul was sporting a new pair of wild Oakley sunglasses @ Poppy Hills Golf Course that made him look like a cross between a bumble bee and the fly....**Lou Pacho** is to be commended for once again putting together a great trip. The annual Primm trip is coming July 15-17. The fee this year is \$150, which includes two rounds of golf at the Primm Valley courses, range balls, a room for you and your guest (Single Occupancy), and assorted tournament prizes. To confirm your entry, your check

should be mailed by June 14th to **Al Valentine**, 12666 Brickella Street, San Diego, CA 92129. This is a can't miss event.... Speaking of can't miss; the boys should be returning from the Monterrey Madness trip with a bunch of smack to spread around. Hey Chuck Wong, Golfnut wants you to buy lunch for him, too.... Have you seen **Nick Castro** (2001 Club Champion) play? Nick hits the ball so hard you can almost hear the ball cry 'ouch' as it's flying through the air. He said his teacher, **Wayne Nakama**, taught him how to swing like that. Then again, have you seen Wayne Nakama hit the ball???? ...Please join us to welcome **Toshi Walker**, a tax examiner from El Segundo POD, to the ALSRI Family. Toshi is looking to challenge **Linda Donato**, **Debra Bennett**, and **Shirley Worsham** for the supremacy of the Ladies Flight. Toshi is planning to debut her performance at the Tri-Org tournament on July 20th at Harding Course @ Griffith Park....Rick Sackett is working on getting a logo for our golf club. He is welcoming everyone's input. If you have an idea for our logo, please contact Rick via email at IMRICKETT@aol.com....**Larry "Hey, Beer Man" Nelson** has to play the Oak Valley tournament without his usual Budweiser compadres (**Tom Veatch**, **Paul Cummings** and **Gerry Guignard**). Therefore, don't expect him to do too well at Oak Valley because he will be too sober....See you all next Monday. Remember, Lunch will be served before the tournament so be sure to get there early. Plus the range balls are FREE!!
