Angel Park Cloud 9 Golf Course | Exploring Las Vegas

An icon in Vegas golf for more than 3 decades, Angel Park stands the test of time for playability, location and service. At almost 3,000 feet in elevation, Angel Park Golf Club offers spectacular views of Red Rock Canyon and the Las Vegas Valley. With two championship golf courses and the Cloud 9, a one of a kind 9 holes par 3s designed by the renown architect Bob Cupp. This unique course incorporates design concepts that are embodied in 12 of the most legendary short holes from around the world, such as the “Island Green” at TPC Sawgrass or the “Postage Stamp” at Royal Troon, Scotland. While not intended to be exact copies of these great holes the Cloud 9 allows players to experience some of the playing characteristics of some of the most celebrated holes in golf.
