It is hard to believe that we are nearing the end of our 15th year as a Club! All of the hard work of our board members, as well as the excellent support from our membership have made it all worth it. In this edition of the Eagle, we hope you will enjoy the description of our trip to Pebble Beach last month, to celebrate Larry Taylor and Victor Vannukul both reaching 50 this year. Be sure and look at a few of the many photos that were taken on our trip.

In addition, the 2007 ALSRI Board has been elected. The names of our Board members appear in this edition of the Eagle. Finally, our 2007 tournament calendar is almost finalized. The tentative schedule for 2007 is also included in the Newsletter.

Thanks for 15 great years - it has been an honor to serve as your President for the last 7 years. I look forward to serving in this capacity once again in 2007. Hope to see you all at Hidden Valley on December 8, 2006 and at Trilogy on February 16, 2007 to start off our 16th year! Happy Holidays and Happy New Year!

Golfnut

(The writings of Golfnut do not necessarily reflect the opinions of the editor or the ALSRI golf club)..... It's that time of the year again. The annual **ALSRI Club Tournament of Champions Championship** is here, and **Golfnut** would like to present his own **BCS** (Best Chance of Scoring) handicaps for the **Championship** #1 **Ed Chavez**. (If he represents his clients like he plays golf, the U.S. government may be filing for bankruptcy in a few years). #2 **Don Toda**. (Talks a great round.....unfortunately, talks the whole round). #3 **Tim Forrest**. (Generally makes the trip down south to take home some hardware. Sandbaggers rule!) #4 **Gary Bohonus**. (Defending champ will have an uphill battle against this group). Honorable mention goes to **George Nichols**. (now that he has recovered from an early season illness, he could give all these guys a run for their money). Long shot.....**James "Big Dawg" Rhodes**. (**Bark** is louder than his game - so is his **meow!**).....Longer shot.....**John Fawaz** (only if **Joycelyn** makes enough **banana bread** for the **score keepers**!)...The **ALSRI Cup** competition has been completed after a dramatic final round of golf at **Los Robles** golf course in **Thousand Oaks**. The **El Monte** team, led by **Captain Bernard Penafuerte**, was crowned **2006 champions**. This year's competition was tight through the final round, when **Bernard** called in his "finishers," **Richer Dubois** and **George Nichols** to close the deal. **Congratulations** to the **El Monte** team for a job well done. Announcements for the **Survivor** competition will be coming soon.....**Congratulations** are also in order for new Dad **Mike Morikawa**. Hey **Mike**, we know your golf has been cut back so....when are we playing for lunch? **ALSRI** member **Bob Henderson** is doing fine after recent heart surgery. **Bob** is an avid hiker who can usually be seen every Sunday walking the **Eaton Canyon** or **Altadena** golf courses with his Sunshine buddy, **Archie Nakaoka** and others. We'll miss you at the year end tournament **Bob**; however, I'm sure we will see you on the course again at **Trilogy**. There is no truth to the rumor that **Bob** has elected to have **Tim Baldwin** take his place in the **Tournament of Champions**.....Speaking of **Sunshine Boys**, **Larry Taylor** is now accepting applications for his **Sunshine Boys** group. Please call 555-1212 to have an application mailed to you. The year long **50th** birthday celebration for two of **ALSRI's** co-founders, **Victor Vannukul** and **Larry Taylor**, has finally ended. The celebration started on a rainy day in **March** at the **SCGA GC**, and ended on a day that

Golfnut - con't.

started in the rain, but ended in sunny skies, in **November** at **Spyglass GC** in **Monterey**. In between were rounds of golf at **La Purisima GC**, **Hunter Ranch GC**, and **Pebble Beach GC**. The guys took off on a 5 day golf vacation on **October 31st** with **14 ALSRI** members to play the famous **Northern California** golf courses and came back with stories, pictures, and memories to last a lifetime.....From **Pebble Beach** to **Myrtle Beach**, a number of **ALSRI** members, led by **Victor Vannukul**, are in **Myrtle Beach** this week to play in the **East Coast IRS tournament**. Talk about a golfnut, how many top 100 golf courses does **V2** get to play in one year? Good luck in **South Carolina** guys, hope it doesn't snow.....The year end tournament is being held at **Hidden Valley GC** this year. Please note there will not be any **hospitality tents** available throughout the course. For those golfers that have never played **Hidden Valley**, there will be a **full bar** available after the round to drown your sorrows away. This is a very challenging course, with more than its share of blind tee shots and forced carries. As usual, the tournament will be followed by lunch and a members only raffle. Please be sure to get to the golf course at least 1 hour before tee time. **Golfnut** has been away for a while but he will be at **Hidden Valley**, and is looking forward to seeing everyone again. [Happy Holidays!](#)

Pebble Beach Golf Trip

Recently, a group of 16 ALSRI Golf Club members took a five day trip to Northern California to play at one of the truly great golf courses in the world, Pebble Beach GC. The trip began on Tuesday, October 31st. Twelve members played at La Purisima GC in Lompoc. La Purisima is one of the most challenging courses in California. It has served as the venue for the PGA Tour's "Q" school on many occasions. The weather was outstanding! After finishing the round at La Purisima, we drove to Casmalia, to have dinner at the Hitching Post. Some of you may recall the name of this restaurant. It was featured in the critically acclaimed motion picture "Sideways". The food there was great. They serve an excellent Top Sirloin! After dinner, we left the Hitching Post and drove to Paso Robles, where we spent the night.

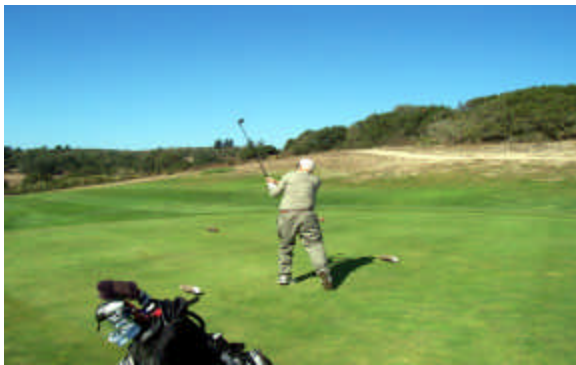

The next day, we were joined by three more players. We played at Hunter Ranch GC, located in Paso Robles. This course also ranks as one of the better places to play in the State. Once again, we had great weather. The golf was memorable for the tremendous round turned in by Howard Wu, who shot an 80. There was also a match between Victor/Stan vs James/Stephen, with the winning team getting a free dinner. After the round, James and Stephen were looking over restaurant locations, to decide where they wanted to have their free meal! After leaving Hunter Ranch, we drove for approximately two hours, to Seaside. It is located just outside of Monterey. The final member of our group, Chuck Carlton, joined us for dinner after we arrived.

The next morning, we awoke to discover there had been some overnight rain in the area. To our relief, the rain had subsided by the time we were ready to checkout. After having breakfast, we drove towards the famous 17 Mile drive, on our way to Pebble Beach! Once we arrived at Pebble, it was, in a word, **Great!**

For the remaining portion of the trip, the guys paraphrased that current **Vegas** standard...."**What happens in Pebble, stays in Pebble!**"! However, there are a few photos that we can share with the membership.
