## Inside ALSRI.....Golfnut

*(The writings of Golfnut do not reflect the opinions of the editor or the ALSRI Golf Club)*

Congratulation to one of our members, **Ron Mendoza**, who became a father for the first time last month. We heard the rumor that Ron was tinkering with the idea of asking his wife's doctor to deliver the baby a day earlier so he could participate in the second round matches of the ALSRI CUP. But he changed his mind after the good doctor said he wanted 5 strokes a side from him for his effort...The El Monte Team shook off **Steven Klotz's** At-Large Team to take a half point lead in the second round of "ALSRI CUP" matches held last month at Santa Anita G.C. El Monte got a windfall benefit when **Max Hernandez** (At-large) had an eleventh hour call to work and Steven couldn't find anyone to fill Max's spot so **George Murphy** ("El Monte") walked away with a point without any fight. The final match is set for Friday, 11/22/02 at Los Serranos (South). The final leg of competition will be using the NCAA format, (Combined NET 4 of 5 lowest players). The winning team will receive 9 points, 2<sup>nd</sup> winning team receives 7 points, 3<sup>rd</sup> team receives 5 points, 4<sup>th</sup> team receives 3 points and the last place team receives 1 point .... Hey, "**Big Dawg**" **Rhodes**, your little sister, **Victor Vannukul**, was telling everyone he met that he owned you in golf! Is that true? He even blamed you for gaining a few pounds after consuming most of the delicious macadamia nut oat meal raisins cookies you baked for

him as a prize for winning the golf match with you...**Tim "Hermes" Baldwin** wants to warn all his arch golf enemies (**Howard "Tiger" Wu** and **Bernie "Els" Penafuerte** to name a few) that the time to take advantage of his busy schedule might come to an end this month. Tim is coming back to the field after a brief tour in Appeals Division...The **Ines Brothers (Ed & Dean)** potential sighting is for real! They signed up to play their favorite course, Wilson, after a year hiatus from competitive golf. Welcome back, "Pineapple Express!" Hey Dean, there are many golfers who are looking for you to pay off those drink bets you lost at Rancho Park 18 months ago....After his ALSRI CUP match @ Santa Anita G.C. last month, **George Nichols** said he has some ideas about what IRS executives (or future of such) do during their business trip. George had to shoot in the mid 70's GROSS to overcome great plays from **Bryan Inoue**, who spent the last two months traveling (And practicing his golf game??) on business...**Steven Klotz's** membership campaign in the Laguna Office is paying off this year. At least 5 employees of the former Southern California District have joined ALSRI in the past few months. Well done, skipper!.. Time is running out to claim your free round of golf at Sierra Lakes golf course. Everyone who participated in the tournament last year is entitled to a free round of golf. You must call the **Sierra Lakes Golf Course** and ask to speak with Ben Smith. All free rounds must be booked through Ben. This offer is available Monday thru Thursday only! Call (909) 350-2500....A few years ago, to win the optional money holes (All par 3s), all a player had to do was

get on the green within 20 feet and your chances of getting the prize was pretty decent. Not any more!! **Ron Gonzel** of Santa Anita POD found out the hard way at the Industry Hills tournament last August when he was edged for the winning prize after putting his ball inside 10 feet on one of the par 3 holes. The winning distance on that hole was less than 7 feet!!! **Richer "POCWA" Dubois** is scheduled to have shoulder surgery this month and will miss the Wilson tournament. Golfnut hopes for speedy recovery... Shark warning! If anyone is approached by **Archie Nakaoka** to wage a drink (Or a meal) on a round of golf, don't do it!! Currently, Archie carries an index of 26 but actually play to about 18. His list of victims in the past few months includes **Larry Taylor, Victor Vannukul, Bob Henderson, Stan Gin, Billy Bob Stephens, Nick Castro and Wayne Nakama**. Quite an impressive list of victims, isn't it? He also won 1<sup>st</sup> place low net at Primm Tournament in August beating out his buddy **Bill Kim** ... It's was a rude ride home for Stan "**Heckleberry**" **Gin** who was humbled by **Bernard Penafuerte** at the ALSRI CUP match last month. Stan realizes now that he needs to find his game SOON because everybody is coming after him after they learned about his match against Bernard...
